

**2020 онд Тайваний Олон улсын эмнэлгийн мэргэжилтэний сургалтын төв /ТИНТС/-өөс
зохион байгуулах цахим сургалтанд бүртгүүлэхэд анхаарах зүйлс**

1/ Тайваний Олон улсын эмнэлгийн мэргэжилтэний сургалтын төв /ТИНТС/-өөс энэ онд зохион байгуулах цахим сургалтын тухай мэдээлэл бүхий фэйсбүүк хуудас болох <https://www.facebook.com/TINTC/posts/4493395027397316> зочлон, <https://forms.gle/wGVUqq3m1etpFCYm7> хаягаар нэвтрэн, цахим өргөдлийн маягт бөглөх шаардлагатай. “How did you know TINTC” болон “Who recommended you to join TINTC's training program” зэрэг хоёр асуултанд “Government Embassy” гэсэн сонголт хийж, хариулах ба өргөдлийн маягт бөглөж дууссаны дараа хэвлэж, бусад бүрдүүлэх материалын хамтаар манай төлөөлөгчийн газарт биеэр хүргүүлнэ. Бусад бүрдүүлэх материалд паспортын хуулбар, гадаад паспортны цээж зураг, товч намтар, нэгээс дээш хүний гаргасан тодорхойлолт захидал, дипломын хуулбар, нарийн мэргэшлийн гэрчилгээ, үнэмлэхний хуулбар зэргийг хавсаргасан байна. /Манай төлөөлөгчийн газартай холбоо барих утас: 322735, 328705/

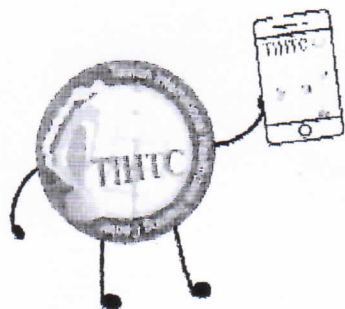

2/ Манай төлөөлөгчийн газраас өргөдөл гаргагчийн бичгээр ирүүлсэн холбогдох материалыг хянаж шалгасны дараа шаардлага хангасан өргөдөл гаргагчдыг бүлгийн ярилцлаганд дуудах болно. /Ярилцлагын цагийг жич товлон мэдэгдэх болно./ Бичгээр ирүүлсэн материал болон бүлгийн ярилцлагын үр дүнг харгалзан, манай төлөөлөгчийн газраас цахим сургалтанд хамрагдах хүмүүсийн нэрсийн саналыг зохион байгуулагч байгууллагад хүргүүлнэ.

3/ Манай төлөөлөгчийн газраас сургалтанд хамруулахыг дэмжин, санал болгосон өргөдөл гаргагчийн нэрсийг Тайваний Эрүүл мэнд, хамгааллын яамнаас албан ёсоор баталсаны дараа сургалтанд хамрагдах эрх албан ёсоор баталгаажина. Үүний дараа Тайваний Эрүүл мэнд, хамгааллын яамнаас Тайваний Олон улсын эмнэлгийн мэргэжилтэний сургалтын төвд сургалт зохион байгуулахтай холбогдох татаас олгоно.

4/ Тус байгууллага эсвэл УИХ-ын гишүүдийн зүгээс сургалтанд хамруулах саналтай байгаа эмч, эмнэлгийн мэргэжилтэний нэрсийн жагсаалт болон холбогдох бичиг баримтыг 2020 оны 10-р сарын 29-ний өдрийн пүрэв гариг гэхэд манай төлөөлөгчийн газарт бичгээр хүргүүлсэн байх ёстойг анхааралдаа авна уу.

2020 TIIHC ONLINE PROJECT PROGRAM

Pre-registry starting now!

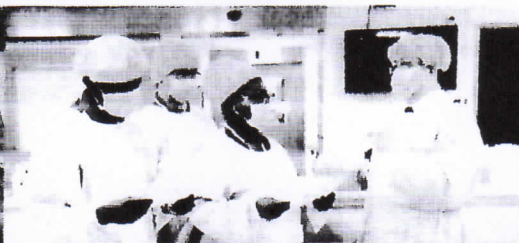

Acupuncture & Traditional Medicine
Emergency Care & Injuries Management
Healthcare management & National Health Insurance

Are you a medical professional? Do you want to delve into the intricacy of esoteric medical knowledge and advanced medical training? Have you been worried about the impact of COVID-19 blocking you from the opportunities of progressive medical learning?

Here is your chance now! Due to the current pandemic, we are moving the project training programs to an online format this year.

Traditional Chinese Medicine (TCM) has evolved since it was first used more than 2,000 years ago. Encompassing practices including tai-chi, acupuncture, and a variety of herbal remedies, Chinese medicine today is used to prevent and treat many conditions. To emphasize the advantages and advancements of TCM in Taiwan, TIIHC designed a series of courses that includes the fundamental academic know-how and the application of TCM.

LECTURE

- Acupuncture on Obesity & Soft Tissue Pain
- Insomnia & Cerebral Palsy with Acupuncture
- Research on Mechanisms of Acupuncture
- Tongue Diagnosis Method of TCM
- Menopause Syndrome with TCM
- TCM Herbal Introduction
- TCM Research in Taiwan
- Concept of Tui-Na (Massage)
- and more...

Emergency care is an essential part of the health system and serves as the first point of contact for the acutely ill and injured around the world. This program includes the professional medical teams, institutions, and associations related to emergency care and burn injuries to share their expertise.

LECTURE

- Emergency Response Measures
- Disaster Medicine & Emergency Preparedness
- Introduction & Evolution of Taiwan Emergency Medical System (EMS)
- Emergency Medical Technician (EMT) Training & Protocol Development
- Dispatch System & Dispatch Assist CPR
- Medical Direction
- Emergency Department Management
- Large Scale Burn Care
- Wound & Scar Care
- Pain & Infection Control

Taiwan is well-known and ranked as the most affordable and accessible National Health Insurance (NHI) in the world. The objectives of this program are to improve concepts and skills in healthcare management, the development of national health insurance policy, promote leadership and intellectual development in management of international healthcare affairs, and facilitate international exchanges on healthcare affairs. The course will cover the core health leadership and competitiveness in depth.

LECTURE

- Medical Care & Public Health System in Taiwan
- Hospital Information System in Taiwan
- Healthcare Financial Management
- Health & Medical Service in Remote Areas
- Healthcare Quality Improvement
- Hospital Accreditation
- Long-term Care Service
- Global Health Partnership

Information of Online Project Training Programs

We are pleased to announce the launch of our Online Project Training Programs. There are three main courses:

Acupuncture & Traditional Medicine

Emergency Care & Burn Injuries Management

Healthcare Management & National Health Insurance

a. Time Schedule:

All the programs are scheduled to start at the end of October spanning 2 months with 20~35 hours in total, depending on the program you choose. Participants have to finish all the lessons under the selected program before the course deadline.

b. Training Fee:

All the applications will be reviewed by the Ministry of Health and Welfare, Taiwan (MOHW). Upon approval, applicants will be able to enjoy the online training program for free as subsidized by MOHW.

c. Required Documents For the Application:

1. A scanned copy of your passport (if you don't have a passport, you may use other identity cards or certificates with English version/translation as a replacement. An English recommendation letter is optional, with the applicant's name in English and birth clearly stated)
2. A Passport-sized photo (Scanned Copy)
3. Resume or Curriculum Vitae
4. One or more letters of recommendation
5. A scanned copy of diploma or degree relevant to the field
6. (Optional) Copies of any other licenses, certifications or awards relevant to the program you are applying
7. (Optional) Valid English proficiency certification or a self-introductory video in 3-5 minutes.

d. Demonstration of the Programs:

All the online training programs will be conducted through pre-recorded videos. The lecturer will deliver each lesson with a myriad of photos, illustrations, as well as authentic medical practices (from the lecturer). Participants are welcome to ask any questions by leaving messages on the e-learning system for the lecturer. The online training program will be made inclusive for healthcare professionals around the world, so there will be no live-streaming component.

e. What You Have to Do After Lessons:

1. Complete a Quiz after each lesson
2. Fill in a Feedback Questionnaire for each lesson
3. Fill in a General Feedback Questionnaire for the online program
4. Craft and upload a Final Presentation after finishing all the lessons to demonstrate the learning outcomes and the practical application of the learning outcomes in the participant's medical practice.

f. Certification of Completion:

Participants who fulfill all the online training program requirements will be given a certificate of completion. The certificate will be officially notarized by the TIHTC as a valid medical training document.
